

## Fairway Super League 3: 60 Second Interview with...

### St Ouen Springfield Storm

We sat down with the captain (Matthew Webb) and the coach (Jon Best) of current Fairway Super League team St Ouen Springfield Storm and put them through our 60 second interview to find out more about them.

**2018 Position:** 4<sup>th</sup> place

**Charity Partner:** JSPCA Animals' Shelter

#### **Why this charity?**

JB: Having seen the recent press about the lack of funding the charity has seen over the previous couple of years, the club and players all wanted to help such a meaningful cause.

#### **Bat, bowl or all rounder?**

MW: All rounder

JB: Bowler

#### **Favourite player?**

MW: James Anderson

JB: Robin Smith

#### **Best moment in FSL?**

MW: Getting 33 runs and being retired to walk off the field to a round of applause

JB: Having coached the side over a three year period its been great to see how the young lads have developed their cricket

#### **Goal for this year?**

MW: To win the tournament and lift the trophy of course!

JB: It would be great to see the boys win the tournament but for all players to feel included as part of this team

#### **Ambitions in cricket?**

MW: To be a professional cricketer playing for a county, Jersey and maybe even England.

JB: To get through 8 overs each Saturday and wake up without the pain the next morning

### **Finally.... Why do you like Super League Cricket?**

MW: It's a good opportunity to show your skills and compete against your mates who you play lots of cricket with for school or Jersey.

JB: The atmosphere when all three pitches are being used at FB Fields is fantastic. It's a fantastic occasion when the sun is shining and you can see the players enjoying themselves whilst being well supported by the parents on the side line.

### **JSPCA Animals' Shelter**

The Jersey Society for the Prevention of Cruelty to Animals (JSPCA) was founded in 1868 with the aims of preventing cruelty, promoting knowledge, and providing for aged, sick, lost and unwanted animals in Jersey.

Their mission statement is: "Prevent cruelty, promote knowledge, and provide for the aged, sick, lost and unwanted animals in Jersey".

The Jersey Animals' Shelter itself was founded in 1913 by Miss Frances Elizabeth Wilson, who was appalled by the number of domestic animals found washed up on the Island's beaches, having been drowned by owners unable to care for them.
