MY CLUB
MY JOURNEY
PROGRAMME
Welcome to the My Club My Journey programme, our latest initiative to improve the standards of junior club cricket in Jersey. 2019 was a fantastic year for our Men’s and Women’s sides in ICC competition and no doubt the public interest in cricket has risen.

Over the past few years our Development team have worked tirelessly to improve the standard of cricket on offer for our young players culminating in the Fairway Super League tournament. This has been a great vehicle in boosting interest in junior club cricket but now, given the demand, we need to offer more.

The My Club My Journey programme will allow us to do this alongside the clubs involved and we hope that this will drive long term sustainability for club cricket in Jersey.

Here’s to another great year of cricket!

Craig Meredith - Chief Executive Officer
WHAT IS THE MY CLUB MY JOURNEY PROGRAMME?
